Going Deeper: To the degree believers are in agreement with God and His Kingdom, determines the level of experience they have with Him and the level of powerful anointing they carry. All measurements are set up on our end of the equation. As God's beloved children, we don't have to get God to do something; He has already given us His Holy Spirit without measure. Have you invited Holy Spirit to come upon you in Power?

If we are not experiencing the supernatural things of the Lord, the issue is most likely something in our belief system that does not line up with His character, His ways, His nature, His word, and the precedents He has already established and demonstrated.

This week, meditate on the scriptures referenced in this lesson. Ask Holy Spirit to give you revelation and understanding. Identify any area of unbelief and repent. Come into agreement with Him, and record what He reveals to you.
